

StudentsLive Wicked “For Good” Cincinnati Girl Scout Council Letter

I had a great experience working with StudentsLive! They were easy to work with and very dedicated to the quality of the program and delivering an amazing experience to the girls from the very beginning. I was especially impressed with the level of detail that they put into the performance and the connections that they made to our organization’s mission and goals. What a great way to make girls feel special! The girls, their troops and families were fully engaged and had a wonderful time. They left asking me when we would be offering something like this again.
